

EUROPEAN LIFE DIED IN AUSCHWITZ

<http://www.Net4TruthUSA.com/holocaust.htm>

As many times as I've referred to the [Nazi Holocaust of World War 2](#) on this Web site, it seems fitting that I also briefly share my views on this topic, before sharing an eMail I received on the subject with my readers.

The fact that Adolf Hitler was the most evil person ever to be spawned out of the human gene pool is undeniable; and yet there are [some people that would argue that the Nazi genocide never happened](#). This ridiculous assertion flies in the face of reality, and is ludicrous on its face. It is the position of the people who lived in towns adjacent to the concentration camps – people who witnessed thousands of Jews arrive at the camps; who smelled the rancid stench of human flesh burning, and never seen anyone besides German soldiers leave those camps. It is almost the exact state of mind that, upon being confronted with the reality of what happened within the razor wire of the camps by Allied troops who [forced townspeople to tour the liberated camps](#) to say "We were all lied to". It was difficult to deny that stark reality when Allied troops [forced Nazi Party members to bury the dead](#) at gunpoint.... but the denial exists nonetheless.

The [Genocide of World War 2](#) is affecting civilization to this day, and it is an insult to those who lived through it, lost friends and family to it, and who survived to tell their tragic stories to the world.

In this insane world; a world driven insane by the mentally ill among us – chief of whom are Fundamentalist Muslims who follow their [Prophet of Doom](#) threaten to bring an even more horrific Holocaust upon the human race. They believe [have been brainwashed] sacrificing themselves and their children as suicide bombers will earn them heavenly bliss. If America does not wake up from its [Political Correctness](#) of "religious tolerance", there is no hope for our civilization and way of life to survive.

And now, I share with you the eMail I received:

Here's an interesting viewpoint.. The following is a copy of an article written by Spanish writer Sebastian Vilar Rodriguez and published in a Spanish newspaper on January 15, 2012. It doesn't take much imagination to extrapolate the message to the rest of Europe – and possibly to the rest of the world.

THIS WAS IN A SPANISH NEWSPAPER:

"EUROPEAN LIFE DIED IN AUSCHWITZ"

By Sebastian Vilar Rodrigez

"I walked down the street in Barcelona and suddenly discovered a terrible truth – Europe died in Auschwitz ... *We killed six million Jews and replaced them with 20 million Muslims.* In Auschwitz we burned a culture, thought, creativity, talent. We destroyed the chosen people, truly chosen, because they produced great and wonderful people who changed the world.

These are the people we burned.

And under the pretence of tolerance, and because we wanted to prove to ourselves that we were cured of the disease of racism, we opened our gates to 20 million Muslims, who brought us stupidity and ignorance, religious extremism and lack of tolerance, crime and poverty, due to an unwillingness to work and support their families with pride.

They have blown up our trains and turned our beautiful Spanish cities into the third world, drowning in filth and crime. Shut up in the apartments they receive free from the government, they plan the murder and destruction of their naive hosts.

And thus, in our misery, we have exchanged culture for fanatical hatred, creative skill for destructive skill, intelligence for backwardness and superstition. We have exchanged the pursuit of peace of the Jews of Europe and their talent for a better future for their children, their determined clinging to life because life is holy, for those who pursue death, for people consumed by the desire for death for themselves and others, for our children and theirs.

What a terrible mistake was made by miserable Europe ...

A lot of Americans have become so insulated from reality that they imagine America can suffer defeat without any inconvenience to themselves. Recently, the UK debated whether to remove The Holocaust from its school curriculum because it 'offends' the Muslim population which claims it never occurred. It is not removed as yet. However, this is a frightening portent of the fear that is gripping the world and how easily each country is giving in to it.

It is now more than sixty years after the Second World War in Europe ended. This eMail is being sent as a memorial chain, in memory of the six million Jews, twenty million Russians, ten million Christians, and nineteen-hundred Catholic priests who were 'murdered, raped, burned, starved, beaten, experimented on, and humiliated. Now, more than ever, with Iran, among others, claiming the Holocaust to be 'a myth', it is imperative to make sure the world never forgets.

This eMail is intended to reach 400 million people. Be a link in the memorial chain and help distribute this around the world.

How many years will it be before the attack on the World Trade Center 'NEVER HAPPENED' because it offends some Muslim in the United States? If our Judeo-Christian heritage is offensive to Muslims, they should pack up and move to Iran, Iraq, or some other Muslim country.

Please do not just delete this message; it will take only a minute to pass this along. We must wake up America before it's too late.
